## *From the Co-Presidents*

Neighbors and Friends:

It's hard to believe that summer is upon us and the pool is open. It seems that just yesterday we had March snow and we went through our annual Spring rite of slip selection. Speaking of boats, please recall that boats, RVs, etc., are not allowed to be stored on the street or in our driveways. Please be considerate of your neighbors and either store them properly as per our bylaws or, in the case of boats, get them launched and in the water as soon as possible.

Ulmstead Point beach park update: The next step in the planning for the renovation of the beach park bulkhead is for the community to choose which of the two design alternatives to pursue, the armored wall or the living shoreline. The study discussing the two choices is on our website ([www.ulmstead.com](http://www.ulmstead.com)) under "Useful Links," "Ulmstead Point Study." We will have a special community meeting on Saturday July 29th at 9am in the barn to vote on the alternatives. This is an important issue for the community, as the differences between the two designs and their costs are substantial. If you can't make the meeting, you can still vote via proxy. Watch for the form in the July *Weathervane*.

Volunteers needed: We need volunteers for two important positions: the **4th of July Picnic/Games** coordinator and the **Community Room manager**. Please contact either of us if you're interested.

Finally, school will be out soon. Please watch out while driving through the community for our neighborhood's children as they rush to and fro enjoying their summer vacation.

Kevin Stone & Jason Dowell  
UCI Co-Presidents
