October 1, 2011

www.ulmstead.org

From the President:

Hello Ulmstead! Since last month's message there has been an earthquake, a hurricane, and a tropical rain deluge. What's next, locusts? At least the lawn mower guys have been able to make big money this summer. The tree removal companies also have had a good run as it seems the oak forest in the older part of Ulmstead is slowly yielding to the forces of nature and flattening a few of our personal possessions in the process.

The guys "Beer and Brauts" event is scheduled for October 21st so call in your RSVP and don't be left out. Halloween is on a Monday this year so be aware that candy-collecting is the kid's priority, not safety, and some of their costumes limit their vision so keep a sharp eye out for them.

So much for the fun stuff. Your Board has been working on funding issues regarding UCI recapitalization in general and the Dock II rebuild in particular. Over the years, UCI has spent its money improving the assets that it owns. We have done many projects such as sprinklers and air conditioning at the Barn, a rock jetty at the spit, increased dock area at Dock II, and expensive playground equipment at the Beach. All these things and more have been done to enhance the experience of living in Ulmstead. However, as the value of the amenities has risen, so has the long-term cost of replacing them. Wood rots, paint peels, mechanical systems wear out, and even plastic hardens and cracks due to sunlight. As a community, we have tended to avoid a hard look at our finances. That is why your Board has undertaken a professional reserve study of UCI assets to see where we stand compared to where we should be regarding cash reserves. I am sure many of you are thinking that this may result in a hit to your pocketbook. You are right. This economic situation we are experiencing is a poor time to broach this subject. Right again. The Board has come to the conclusion that we have kicked this particular can down the road long enough and we have to face some hard facts.

Please put the dates for the following meetings on your calendar:

- DOCK II FUNDING PRESENTATION on October 15, 2011 at 9:00 a.m. at the Barn. This meeting will be for answering questions the community-at-large may have regarding the Board's approach and will hopefully keep the November Budget Meeting from becoming an all-day affair.
- UCI ANNUAL BUDGET MEETING on November 12, 2011 at 9:00 a.m. at the Barn. This is when the community will vote on the Budget as developed by the Treasurer and vote to approve or disapprove the Board's plans for recapitalization of UCI assets. There will be a vote on a 5 year assessment schedule to help fund Dock II replacement.

Thank You,
Patrick Shay, UCI President

Report on the Dock 2 Replacement Project

This document is an update on the Dock 2 Replacement Project to all UCI members. Members are encouraged to attend a detailed presentation on the status of this project to the community on **Saturday, Oct. 15 at 9:00 am** at the Barn. This meeting will be your best opportunity to ask questions and join in discussions on options for the project.

As you may have surmised from the updates in the Weathervane for the last year, the UCI Board will be requesting a special Capital Assessment starting in 2012 from all UCI members. The purpose is two-fold. The immediate need is to begin accumulating capital to finance the Dock 2 project, as we are working towards a plan to complete construction over Winter 2013-2014. However, equally as important is the longer term need to accumulate capital as a community for the UCI General Capital Reserves, in order to meet the inevitable recapitalization requirements of other community assets. Although discussions regarding a Capital Plan for the community have been held before, no action has ever been taken to understand the capital reserve requirements and develop strategies to fund those future requirements. We have contracted Miller-Dodson, a company specializing in community reserve studies, to analyze our assets and tell us what reserves are necessary to properly maintain all UCI amenities in good condition. We hope to have the study available at the October meeting to help our membership better understand UCI's fiscal health.

UCI Members are strongly encouraged to attend the 2012 Budget Meeting on **Saturday, Nov. 12 at 9:00 am** at the Barn. The UCI Board will present the 2012 Operating Budget for membership approval, along with a proposed Special Capital Assessment. We need a quorum of members for the meeting, and are looking forward to an *informative, productive* and *civil* discussion about the future of UCI's capital assets, most urgently Dock 2.

Goals for Dock 2 Project

The goal for this project is to replace Dock 2 on a planned schedule. We are trying to balance the number of useable slips, better protection for boats from waves (weathering improvement) and total cost and timing within the constraints of permitting requirements, technical issues, and financing ability, to minimize risk of losing access to UCI's primary revenue-generating asset. We feel it is important to pay for the project in a way that demonstrates fairness to Nautical Facilities users and the broader UCI membership.

Dock 2 Committee

Over the last eighteen months a group of UCI members has labored to come up with a Dock 2 recapitalization plan that hopefully would be acceptable to the community-at-large. In a nutshell, that

plan is to replace the entire Dock II and finance it with a combination of funding sources. First, in anticipation of the need for replacement of Dock 2, a slip fee increase of 15% per year began in 2010 and will continue until the year 2014 in order to accelerate the accumulation of nautical department cash reserves . Second, a special community assessment of approximately \$300 per year (in addition to the current \$225 yearly dues) will be implemented for a period of five years starting in 2012. To make the Dock II replacement possible in the Winter of 2013-2014 a bridge loan would be taken out from an outside lender. This loan would be repaid as quickly as possible from the income from slip fees and the community assessment. Without the financial help of the community, there is no feasible solution to this situation. The community funding of the Dock II is anticipated to be a one-time requirement and will allow the Nautical Department to accumulate the funds from slip fees to replace Dock I and Dock III as needed and accumulate a reserve for the future replacement of Dock II in approximately 35 years.

October 15th Meeting Agenda

The Board realizes that the current economic situation makes this a challenging time to ask residents for a large increase in their cash support for UCI. Unfortunately, the financial issues we are facing are a long time in the making and the current Board is faced with very difficult decisions that can no longer be avoided. At the upcoming October meeting we will lay out in detail what the dock committee and the UCI Board are proposing. This meeting will be your opportunity to have input and express your opinion. We will try to explain the details and conduct a straw vote in order to inform the final UCI Board proposal to the community membership in November. This is the culmination of the selfless efforts of a lot of smart volunteers who have given this their best shot. No solution is going to be perfect and not everyone is going to be satisfied. But, at the end of the day, we all moved to Ulmstead at least in part because of the water amenities and to let them deteriorate would not only negatively affect our property values but would negatively affect our quality of life. Finally, what we have learned from this process is that the challenges facing the community are NOT just about Dock 2, but the greater capital reserves required to maintain UCI as the sought after community that it is, well into the future

UCI Community Decisions

According to our By-Laws, the community must approve all capital projects, special assessments, as well as the borrowing of money for community projects. At the November Budget Meeting, community members will be asked to vote on these extremely critical decisions for our community. Please plan on attending this important meeting because your vote is necessary and important whether you are in support or against these recapitalization plans.

THIS ANNOUNCEMENT IS APPROVED BY THE UCI BOARD OF DIRECTORS.

Patrick Shay, President UCI

MEMBERSHIP DEPARTMENT

Please Welcome:

Mark and Dawn Hudson, along with their son Colten (3), daughter Haiden (7 months) and boxer Roxy have moved into 989 bayberry drive. They have been in the Annapolis area for 10 years living in Bay Highlands but are excited to be over in Arnold now. Mark is a technology consultant with CGI and when not working enjoys riding his recumbent bike. Dawn is a RN at AAMC on the weekends and is at home with the children during the week. She enjoys doing Pilates and working out in her spare time. Colten attends Bright Beginnings preschool on Weds and Fridays but is looking for new friends to meet in the neighborhood. They can be reached at 410-268-0876 (home) or by e-mail at dawnlhudson@hotmail.com.

Dennis & Julie Grignon. Ulmstead welcomes Julie and Dennis Grignon to 1039 Ulmstead Circle. They have relocated from Cape St. Claire, where they lived for 10 years; they are originally from upstate New York. Julie is a part time Psychology instructor at AACC and per diem school psychologist for Anne Arundel County Public Schools. Dennis is Senior Task Manager for Delta Resources, Inc. The couple has two children: Matteo, 7, who attends Broadneck Elementary school and Luca, 3, at TALS preschool. They can be contacted at djgrignon@gmail.com or (410)279-6479.

Tim & Ginny Wills. A warm welcome to Ginny and Tim Wills who are busy settling into 944 Placid Court with their two sons and golden retriever, "Millie". The boys: Alex, 6, and Jake, 3 1/2, attend Broadneck Elementary and Asbury Preschool respectively. Ginny is a Registered Nurse at the Riva Road Surgical Center and Tim is Vice President of Marketing at Peak Technologies. They love being outside and on the water as well as doing gardening and spending time with family and friends. You can reach them at ginnylillywills@verizon.net or (410)987-1147.

Doug & Tracy Seybert. Doug and Tracy Seybert, along with their daughter, Kate (4 yrs) and twin sons, Jack and Charlie (14 months), have recently moved into 694 Carlisle Drive. The family moved from the Homewood neighborhood in Annapolis, with a summer stay in Stonington with Tracy's parents. They are very happy to be part of the Ulmstead community! They can be reached at 202-262-0325 (Tracy) or tracy_seybert@yahoo.com.

SCENIC DEPARTMENT

Fall is here. Time for pumpkins and raking leaves. Speaking of leaves, if you have a teenager in need of community service hours, I have a job for them. As long as they have two working arms, I can put them to good use moving mulch and putting down landscape fabric at the barn. Call Denise Peach at 410-757-2420 to volunteer. Thanks!

Our little vegetable garden plots are slowing down but still producing tomatoes and peppers. Thanks to those intrepid families who came and planted tomatoes in the spring and watered during the summer. A special thanks to Barbara Stone who looked out for the garden while I was away. You are all awesome! The children who participated have a little better understanding of where their salad comes from...not originally from the Safeway! If anybody wants to try it again next year, we have 3 beds and one of them will be dedicated to adult gardeners. – Denise Peach

EQUESTRIAN DEPARTMENT

It was a brutal summer but we and the horses got through it. They gave their usual contribution to the food chain, so we have some fresh (and a small amount of aged) manure for your home garden. The manure makes a great soil amendment. Bring your garbage bag and a shovel to the barn and help yourself. It's under the tarp beside the sliding stable door. – Denise Peach, Eques. Mgr. 410-757-2420

37th Annual Ulmstead Fishing Tournament

Although the tournament had to be postponed thanks to hurricane Irene and tropical storm Lee, 10 boats, 2 kayaks, and up to 12 shore anglers took part in the tournament. The day was cloudy, and a little rainy, and the bay was muddy and strewn with debris. Nevertheless, plenty of fish were brought to the weigh-in station manned (womanned?) by Bobby Christensen. The variety of species brought in was amazing, though different from past years. This year there were no Spanish Mackerel, Spot or Croaker on the scales, but several large Catfish were weighed in, as well as one beautiful Yellow Perch. An excited group of friends and neighbors was on hand to welcome in the anglers, and check out the catch. Of all the fish caught, up to 6 fish from each boat/shore fisher were weighed in, for a total of 80 pounds. Those and all the rest were cooked up by our marvelous chefs on Sunday, and happily consumed by the anglers and their families. Sides, salads and desserts from Ulmstead kitchens filled out the menu (as did hot dogs and burgers for the fish-shy among us).

Thanks are due to all those who did so much to help: Bobby for handling and recording the weigh-in, and Bob Ammon for filleting so many fish he lost rack of which were his. And all the people who worked so hard to make the fish fry a success: cooks Don Kiewitt, Bob Ammon, Tom Christensen, Joe Egan, Dennis Focas and anyone else who volunteered to do a taste-test or mind a fire. A special thanks to all who helped set up, and especially, clean up at the fish fry. THANKS ALL!

2011 TOURNAMENT WINNERS

LARGEST FISH BY WEIGHT:

- 1st – Alex Kouhi – 12 lb, 2oz Rockfish
- 2nd – Clayton Russell – 11 lb, 2 oz Catfish
- 3rd - John Wynan – 8 lb, 6 oz Catfish

BOAT TOTAL OF 6 FISH BY WEIGHT:

- 1st – Roger Kouhi’s “Relief Air”, with 41 lbs 14 oz
- 2nd- Bryan Russell’s “Ohana”, with 17 lbs, 9 oz.
- 3rd- Bob Ammon’s “Brooklyn Water Bagels”, with 13 lbs, 3 oz

LARGEST CATFISH – 7 lb, 3 oz – Robby Vavrina, with Bob Ammon

LARGEST ROCKFISH - 7 lb – Colin Booberg, with John Pescatore

LARGEST BLUEFISH – 6 oz -Ford Marchant , with Roger Kouhi

LARGEST WHITE PERCH – 11” – Julia Kouhi

LARGEST BY 13 & UNDER – Rockfish- Alex Kouhi

LARGEST ON NON-MOTOR – 9 1/2 “ W. Perch – John McCleaf (kayak)

LARDEST ON SHORE/PIER – 4 lb 5 oz Catfish – Sean Cottle

MOST UNUSUAL 2011 – 11” Yellow Perch – Sean Cottle

LARGEST SPOT, CROAKER, SMALLEST, AND FROM SAILBOAT NOT AWARDED

Congratulations to all our winners, and to all who took part!

Your 2011 Tournament Committee
Frank and Maryanne Gomme

PS – If you missed all the fun, there’s always next year!

ULMSTEAD FAMILY CAMP-OUT

Saturday October 8th

Attention Campers! Get out your tents and sleeping gear and get ready for an overnight in the Ulmstead Field. We will have a contained fire for hot dogs and S'mores. We'll play kick-ball and other games until dark with the kids. Bring your best ghost stories!

ALL CHILDREN MUST BE ACCOMPANIED BY AN ADULT!

Saturday, October 8th @ the ball field, set your tents up at 5PM, take them down by noon on Sunday.

Please contact Dennis Deitch at 410-703-8160 or d.deitch@verizon.net to RSVP.

\$10 per family to cover the cost of food and supplies. Volunteers are need to pick up supplies, food, wood, etc.

Notices:

Horseback Riding Lessons: Wanted a few horseback riding lessons for an 8-year-old girl. She's never been on a horse, so we just want a few lessons to see how she likes riding. We're not looking for anything serious or long-term at this point. Please call Deepa Bhattacharyya Miles 443-415-5958.

Sailboat For Sale - South Coast 23' sloop (at little dock), complete with sails and equipment (no motor or trailer), available free to Ulmstead family interested in restoring and sailing it. Needs work (aft, port topsides damaged during storm at big dock, but repairable). Pretty, sweet sailing, ideal for small family. If no takers by late October, will donate to charity. Please call Lewis Peach @ (410) 757-2420.

Deadline has been extended to list your business in the Neighbors Business Directory . The directory will include names, contact information and business description space. If you wish to promote your business or service (you need not own the business) to your neighbors, contact me at terrycooch@hotmail.com to receive a detailed letter and Contact Information Form by Oct 5th.

This directory is not affiliated with UCI. Thank Terry Cooch 410-562-1087
